

Westfair Christian Academy Parent Involvement Program WCA-PIP

Parent's Name _____

Name and grade of Child _____

Date of service _____ Number of hours worked _____

Description of Service Provided _____

1 Corinthians 12... What is your gift? What part of the body are you? How can you get involved??

The purpose of the Parent Involvement Program (PIP) is to encourage active involvement in each student's education at all levels. Active parental involvement increases a student's success at school, encourages communication between WCA teachers and parents, and provides fellowship with other WCA families.

Each family is responsible for 25 hours per year for the Parent Involvement Program.

Work directly related to classroom activities, school office work, cleaning and maintenance, purchasing or making refreshments, parking lot monitor, computer lab volunteer, library volunteer, book fair coordinator, parade coordinator, walking in the parade, after school parking lot monitor, chaperoning field trips, working concessions, attending PTF meetings, before school duty, lunch room duty, volunteering at the Annual Italian Buffet, kitchen help, purchasing items from the "Tree of Need", and many other activities may be accumulated for PIP hours. If both parents attend a qualified meeting or work to provide a service to WCA, both parents are eligible for the time donated. Questions about earning PIP hour credits should be directed to the school office.

Number of hours worked _____

Thank you for your service!
